EPD Notice Type: Permit Application

Description of Operation: Liquified Natural Gas Production

Reason for Application: permit to construct and operate LNG Pump Engine A1 (PA!) and Electric Generator Turbines GT1 and GT2 at facility.

ADDITIONAL INFORMATION: The permit application, additional information, and EPD-generated documents are available for review at the office of the Air Protection Branch, 4244 International Parkway, Suite 120, Atlanta, Georgia 30354 by appointment only at this time. Permit applications listed above can be provided in electronic form upon request.

To comment, send written comments via email to epdcomments@dnr.ga.gov (include "Air permit application" in the subject line) or by mail to Air Permit Manager, 4244 International Parkway, Suite 120, Atlanta, Georgia 30354.

All comments received on or prior to the deadline will be considered by the Division in making its final decision to issue the permit. Any comments requesting a public hearing must be made prior to the deadline and should specify, in as much detail as possible, the portion of the Georgia Rules for Air Quality Control or the Federal Rules which the individual making the request is concerned may not have been

adequately incorporated. A public hearing may be held if the Director of the EPD finds that such a hearing would assist the EPD in a proper review of the facility's ability to comply with the Federal and State air quality regulations.

Issued (final) permits are available for public viewing at this link: <https://permitsearch.gaepd.org/>

For further information, email ask.epd@dnr.ga.gov, or call (404) 363-7000.

ADDITIONAL INFORMATION: The draft permits and permit amendments and all information used to develop the draft permits and permit amendments are available for review. This includes the application,

all relevant supporting materials, and all other materials available to the permitting authority used in the permit review process. This information is available for review at the office of the Air Protection Branch, 4244 International Parkway, Suite 120, Atlanta, Georgia 30354. Copies of the draft permits or permit amendments, narratives, and (in most cases) permit applications are also available at our Internet site <https://epd.georgia.gov>. The direct link to the draft Title V permits and amendments is <https://epd.georgia.gov/draft-title-v-permitsamendments-other-draft-permits>. Also available at this Internet site is a copy of the public notice, as it will appear in the legal organ of the county where the facility is located.

All visits to EPD's offices are by appointment only. To set an appointment, email askepd@dnr.ga.gov with your name, email, and phone number, and an associate will reach out to you. Copies of the draft permit, explanatory narrative, and associated permit application may also be requested by contacting Stephen Damaske, stephen.damaske@dnr.ga.gov.

Persons wishing to comment on a draft Initial Title V Operating Permit, Title V Significant Modification, Title V Operating Permit Renewal, or other Title V Permit proceedings are required to submit their comments in writing. To comment, send written comments via email to epdcomments@dnr.ga.gov (include "Air permit application" in the subject line) or by mail to Air Permit Manager, 4244 International Parkway, Suite 120, Atlanta, Georgia 30354.

Comments must be received by no later than the deadline indicated for the particular facility. (Should the comment period end on a weekend or holiday, comments will be accepted up until the next working day.) All comments received on or prior to the deadline will be considered by the Division in making its final decision to issue the Title V permit or permit amendment.

Any comments requesting a public hearing must be made prior to the deadline and should specify, in as much detail as possible, the portion of the Georgia Rules for Air Quality Control or the Federal Rules which the individual making the request is concerned may not have been adequately incorporated. A public hearing may be held if the Director of the EPD finds that such a hearing would assist the EPD in a proper review of the facility's ability to comply with the Federal and State air quality regulations.

Issued (final) permits are available for public viewing at this link: <https://permitsearch.gaepd.org/>

For further information, email ask.epd@dnr.ga.gov or call (404) 363-7000.
